Dee Macpherson

Dee has worked in the dental industry since 1967 as a dental chair side assistant orthodontic assistant dental receptionist and representative of Dentsply, Unitek and Dentaureum.

She has taken part in several overseas courses held by parent companies Unitek (USA), Dentaureum (Germany).

Her responsibilities include staff recruitment and training as well as sales and marketing throughout Australia and New Zealand.

Dee holds a certificate in Management (AIM) and in Training (Training Services Australia)

Dee began training dental assistants in 1989 soon recognising a need for specialized training for orthodontic assistants.

Courses have been held in Sydney, Melbourne, Brisbane, Adelaide, Canberra, Newcastle, Auckland, Wellington and Christchurch.

Dee is currently the director of Dentaureum Australasia but finds time to present the orthodontic component of the DAA course in NSW and has held several volunteer positions with the Australian Dental Industry Association.

Program

Using the latest in DVD and workbook presentations to ensure easy learning, we aim to help you understand orthodontic procedures and techniques commonly used today. This will give you a feeling of accomplishment and improve your feelings of self worth and self esteem. You will also gain a greater understanding of dental terminology.

This course is a must for all clinical staff and is of benefit to office staff such as receptionists who have found this course useful in understanding the world of orthodontics.

Highlights

- Key Terminology
- Tooth Anatomy
- Tooth Identification & Surfaces
- Malocclusions & Dental Discrepancies
- Orthodontic Appliances Fixed, Removable
- Oral Hygiene, Eating Habits & Patient Cooperation
- How Teeth Move
- The Role of the Arch Wire
- Modern Bracket systems including Lingual and Self Ligating

Cost:

\$275.00 per person

To reserve your place on this course please send a deposit of \$100ea along with this registration form. To the address below.
